We are pleased to have Gene and Cathy Taylor as our 2020 Campaign Champions. Their long history of support of United Way exemplifies our commitment to our community.

"My sister needed legal help and didn't know where to turn. She's a single mom and her ex left her in a lot of debt. We didn't know how to help her, until I heard you all come to my work and make a presentation. We gave her your flyer and Kansas Legal Services was the best thing to happen to her. Thank you so much for taking time to connect people."

## ADDITIONAL WAYS TO GIVE

### Gifts of stock

By contributing stock as a gift to Konza United Way, you may realize tax savings.

### Estate planning

Consider naming Konza United Way as a beneficiary on your IRA, other retirement plans, or through your life insurance policy.

Help ensure future health, education and income needs are met for our community. Please remember Konza United Way in your estate planning.

### Endowment Fund

The United Way Endowment Fund is your fund. It was established to grow and produce earnings to be used to help future generations in our community. Annual campaigns alone cannot keep pace with our community's growing needs. Your gift to the endowment fund is invested; and while its earnings are used to help meet the most important human care needs in our community, the principal remains intact.
